

Garry Naples

Director, Internal Audit, Office of the President

As Internal Audit Director for Savannah River Remediation (SRR), Garry Naples is responsible for carrying out the internal audit plan for SRR. His responsibilities include independent reviews, examinations, evaluations, and tests of the SRR internal control structure, which supports the accomplishment of management objectives in the areas of asset protection, information and resources concerning the accuracy, reliability and timeliness of financial, managerial and operating information. In this role, he reports to the SRR President and Project Manager and the SRR Board of Managers.

Mr. Naples has over 30 years of experience in auditing and investigations. In his previous position as Audit Manager at the Chicago Transit Authority Inspector General's Office, Mr. Naples was responsible for audits of all federally funded capital projects and audits of other business units. Similarly, at CITGO Petroleum, Mr. Naples was responsible for managing audits of capital projects, unit production and other operational audits at three CITGO facilities in the United States.

Mr. Naples also served as Director of Internal Controls at Sun-Times Media Corporation, where his team was tasked with the responsibility of designing and implementing financial controls.

Mr. Naples is a Certified Public Accountant and Certified Fraud Examiner. He is a member of the Institute of Internal Auditors and the Association of Certified Fraud Examiners.

He is a native of Chicago.
