

Patricia Allen

Environmental, Safety, Health & QA, & CA Director

Patricia M. Allen is Environment, Safety, Health and Quality Assurance (ESH&QA), Contractor Assurance (CA) and Performance Assurance Director for Savannah River Remediation (SRR). In this capacity, she is responsible for integrated safety management, environmental compliance, radiological protection, industrial safety, industrial hygiene, training and procedures, emergency preparedness, quality assurance, safeguards and security, and contract performance assurance.

Ms. Allen has more than 30 years of experience in the fields of nuclear operations support, engineering, and technical management.

Previously, Ms. Allen served as Environmental, Safety, Health and Quality Assurance Manager for Washington Savannah River Company (WSRC), with responsibilities for environmental compliance, waste management, and radiological monitoring programs, safety, integrated management, radiological protection, industrial hygiene and quality assurance. Ms. Allen also served as Director of ESH for Global Management and Operations (GMOS) URS, with responsibilities for environmental compliance, safety and health, and quality assurance.

During her career, she has held positions of increasing technical management responsibility, including Engineering Deputy Manager for the WSRC Facility Support Services Business Unit, with responsibility for all aspects of facility engineering support and waste management, regulatory compliance, and Support Manager responsible for hazardous waste transportation, and chemical management, and operational support.

Ms. Allen is a member of the American Institute of Chemical Engineers, American Society of Safety Engineers, and National Leadership Association.

She is a recipient of 10 URS President's ES&H awards, the WSRC Environmental Award of Excellence, Westinghouse Award for Service Excellence, Certificate of Commendation from the U.S. Department of Energy for radioactive waste management, and a patent.

She and her husband, Terry, have two daughters. They live in North Augusta, South Carolina.
