Celebrating Our Nation’s Independence

Happy Independence Day! July 4 marks the anniversary of our nation’s independence in 1776. Savannah River Remediation wishes you a happy July 4th and a wonderful summer.

The American flag is displayed atop a crane that was used in the recent construction of Saltstone Disposal Unit 7 at the Savannah River Site.

Stakeholder News

SRR Returns to Work in Phase One

Savannah River Remediation has been implementing a phased Return-to-Operations Plan since the end of May 2020, involving approximately 950 employees. Learn more about the ongoing work by reading SRR President Phil Breidenbach’s messages and watching his videos here.

SRR’s Fairchild Re-elected EFCOG Vice Chair

SRR Project Services and Support Director Sandra Fairchild has been re-elected as the Energy Facility Contractors Group’s Vice Chair. In this important position, Sandra works with fellow officers and board members from 114 companies to exchange innovative concepts that lead to improved practices for the Department of Energy and National Nuclear Security Administration. Read more here.

New Application Significantly Reduces Prep Time for Waste Processing at SRS

SRR staff developed a new electronic application capable of reducing by up to 75 percent the time needed to qualify large quantities of radioactive liquid salt waste for decontamination processes. Read more here.

SRR Awards STAR Grants

SRR has awarded educational grants to several area elementary school teachers, helping to support a Science, Technology, Engineering, and Math (STEM) curriculum in their classrooms. Read more about the STAR Grants here by clicking on “2020.”

SRR Awards Family Scholarships to Graduating Students

SRR awarded 15 SRR Family Scholarships to local graduates, all of whom are children of SRR employees. Each of these high school seniors received scholarships of $3,000. They were selected based on leadership, extracurricular involvement, community service, grade point average, and scholastic achievement. Read more here.

Let’s play ball!

SRS staff and families enjoy a game of cornhole during the SRS July 4th, 2020 Celebration of America.

Let’s celebrate together!
