A.3 **INDEPENDENT CONTRACTOR**

In the performance of the work and services under the terms of the Subcontract, the Subcontractor will act solely as an independent contractor, and nothing contained herein or implied will at any time be so construed as to create the relationship of employer and employee, partnership, principal and agent, or joint adventurer as between SRR and Subcontractor. The manner and method of implementing and

completing any work to be performed under the terms of the Subcontract will be left to Subcontractor's control and professional judgment. It is understood that SRR has no obligation under local, state, or federal laws regarding the Subcontractor or any employees, agents, Subcontractors, or subcontractors employed by the Subcontractor and that the total commitment and liability of SRR in regard to any arrangement or work performed under the Subcontract is to pay the fees and expenses pursuant to the provisions hereof.

A.4 **CONFIDENTIALITY OF INFORMATION**

- A. To the extent that the work under the Subcontract requires that the Subcontractor be given access to confidential or proprietary business, technical or financial information belonging to the Government, SRR or other companies, the Subcontractor shall, after receipt thereof, treat such information as confidential and agrees not to appropriate such information to its own use or to disclose such information to third parties unless specifically authorized by SRR in writing. The foregoing obligations, however, shall not apply to:

The Subcontractor shall obtain the written agreement, in a form satisfactory to SRR, of each employee permitted access, whereby the employee agrees not to discuss, divulge or disclose any such information or data to any person or entity except those persons within the Subcontractor's organization directly concerned with the performance of the contract.
- C. The Subcontractor agrees, if requested by the SRR or the Government, to sign an agreement identical, in all material respects, to the provisions of this article, with each company supplying information to the Subcontractor under the Subcontract, and to supply a copy of such agreement to SRR. The approval of DOE or SRR of any individual payments or royalties shall not stop the Government or SRR at any time from contesting the enforceability, validity or scope of, or title to, any patent under which a royalty or payments are made.

A.6 TAXES

- A. All taxes applicable to any amounts paid by SRR to the Subcontractor under the Subcontract will be the Subcontractor's liability and SRR shall not withhold nor pay any amounts for federal, state or municipal income tax, social security, unemployment or worker's compensation. Upon request by SRR, the Subcontractor will provide

This category would apply to visitors or other temporary personnel that require badged access to the general site and property protection areas and are on site greater than 10 days consecutively in a calendar year, and additional training is not required as determined by SRR.

(iii) Category 3 consists of eight hours of training and includes instructor lecture along with audio and visual aids and a written examination. This category applies to individuals who require badged access to the general site, property protection areas, or security controlled areas and additional training is required, as determined by SRR.

(3) Successful Completion Defined: Successful completion occurs when the individual

- (i) Is scheduled for GET,
- (ii) Attends the GET session,
- (iii) Obtains a test score of 70% or greater on the written examination, if required, (100% is the highest obtainable score), and
- (iv) Properly completes all documents (rosters, exam answer sheet, etc.).

(4) Unsuccessful Completion Defined: If the individual fails to successfully complete GET, the individual is given a failure notice and is to notify the Subcontract Technical Representative (STR) for rescheduling for remedial training or for a re-test. The individual will be allowed several chances to successfully complete the GET. Continued

failure to successfully complete GET will result in resolution by the STR.

(5) Scheduling for GET

The STR shall direct the individual to the appropriate training center to attend the GET session. GET training is scheduled subject to demand.

(6) Records

GET records will be maintained by SRR.

B. Annual Refresher Training.

Refresher Training is required after an individual's initial successful completion of all categories of GET, regardless of the individual's present employer. Category 1 and Category 2 GET training must be repeated annually. For Category 3, successful completion of Consolidated Annual Training (CAT) is required. The Subcontractor is responsible for scheduling its employees for this training. The STR may be contacted for assistance.

C. Upon providing proof of successful completion of GET either at another DOE facility, or while employed by a firm other than the Subcontractor under this Order, the employee will not be required to repeat this training.

A.17 SECURITY EDUCATION REQUIREMENTS FOR SUBCONTRACTORS

(The following items are applicable if performance of the Subcontract will require the Subcontractor/subcontractor's employee(s) to receive a security badge.)

A. Subcontractor Security Education Coordinator.

(1) If this Order will require a force of more than thirty (30) subcontract employees receive a badge, then the Subcontractor shall provide to the SRR Security Education Office, the name of representative appointed to administer Security Education Program. This representative shall be referred to as the Subcontractor Security Education Coordinator (SSEC).

(2) If the Subcontract will require that less than thirty (30) subcontract employees receive a badge, then the SRR Subcontract Technical Representative (STR) will perform the activities discussed in this Supplement.

B. Company Roster.

The SSEC will be responsible for providing the STR with a roster of all Subcontractor personnel receiving a badge. At a minimum the data shall include name, social security number, work telephone number, clearance level and place where work is generally performed. This list shall be kept current and updated every sixty

(60) days.

- C. Initial Briefing.
The SSEC will ensure that all Subcontractor's personnel, regardless of clearance level, receive an Initial Security Briefing. This briefing is shown during General Employee Training. This briefing consists of a videotape shown during GET, or at the time of badging for those individuals not required to attend GET.
- D. Comprehensive Briefing.
If Subcontractor's personnel have a clearance at the inception of this Order, or receive a clearance at any time during the course of the Order, the SSEC/STR will ensure that those subcontract employees receive a Comprehensive Briefing from SRR.
- E. Annual Refresher Briefing.
The SSEC/STR shall ensure that all subcontract employees receive, at least once in a twelve (12) month period, an Annual Security Refresher briefing from SRR. This briefing is provided during GET Refresher Training.
- F. Foreign Travel Briefing.
If a subcontract employee plans a trip to a sensitive country, whether on official business or for pleasure, the SSEC/STR is responsible for ensuring that the individual receives a Foreign Travel Briefing from SRR before departing and a Debriefing upon return. The OPSEC Officer is responsible for these Briefings.
- G. Badge Retrieval at Termination.
The Subcontractor is responsible for ensuring that badges are returned or accounted for when a subcontract employee terminates employment or when an Order is completed. The employee must report to Employment Processing Center, for proper completion of out-processing and badge return. This effort should be coordinated with the SRR STR.
- H. Termination Briefing.
When a subcontract employee terminates employment or is reassigned, the SSEC/STR will ensure that a Termination Briefing by SRR is given and the appropriate forms are executed. Briefing materials and appropriate forms are provided by SRR.

A.18 UNCLASSIFIED CONTROLLED NUCLEAR INFORMATION (UCNI)

In the performance of this order, the Subcontractor is responsible for complying with the following requirements and for flowing down all requirements to lower tier subcontractors.

- A. The Subcontractor ensures that access to UCNI is provided to only those individuals authorized for routing or special access (see DOE M 471.1-

1, Chapter II). Subcontractor may provide access to material or data containing Unclassified Controlled Nuclear Information (UCNI) utilized in the performance of this Order only to employees who are citizens of the United States.

- B. The Subcontractor ensures that matter identified as UCNI is protected in accordance with the instructions contained in DOE M 471.1-1, Chapter II. Any material or data containing UCNI which is stored on computer systems must be protected, and the protective measures and/or policies must be specified in a Computer Protection Plan approved by the SRR Computer Security organization. Adherence to the Plan is required during the performance of this Order.
- C. Material or data containing UCNI shall be disposed of in a manner as described in DOE M 471.1-1, Chapter II. At a minimum, UCNI matter must be destroyed by using strip cut shredders that result in particles of no more than 1/4-inch wide strips. Documents containing UCNI may also be disposed of in the same manner that is authorized for Subcontractor disposition of other classified material or data. If the above disposal methods are not available to the Subcontractor, the Subcontractor may return the UCNI matter to the STR for disposition, with the prior approval of the STR.
- D. The Subcontractor shall report to the SRR Security Office or the SRR Procurement Representative any incidents involving the unauthorized disclosure of UCNI.
- E. If performance of work under this order results in the generation of unclassified documents that contain UCNI, the Subcontractor shall have a sufficient number of trained UCNI review personnel to ensure the prompt and proper review of generated material or data to provide for the identification, marking, and proper handling of material or data determined to contain UCNI. The Subcontractor's Reviewing Officials shall apply or authorize the application of UCNI markings to any unclassified matter that contains UCNI in accordance with the instructions contained in DOE M 471.1-1, Chapter I, Part C.
- F. If the Subcontractor has a formally designated Classification Officer, the Classification Officer-
 - (1) Serves as a Reviewing Official for information under his/her cognizance;
 - (2) Trains and designates other Reviewing Officials in his/her organization, subordinate organizations, and lower tier subcontractors and maintains a current list of all Reviewing Officials; and

- (3) May overrule UCNI determinations made by Reviewing Officials under his/her cognizance.
- G. If the Subcontractor has no formally designated Classification Officer, the Subcontractor submits a request for the designation of Reviewing Officials to the local Federal Classification Officer in accordance with the instructions contained in DOE M 471.1-1, Chapter I, Part B.

A.19 LIMITATION OF FUNDS

NOTE: This article is applicable only if the Subcontract is partially funded.

- A. Of the total price of the Subcontract, the sum of \$_____ is presently available for payment and allotted to the Subcontract. It is anticipated that additional funds will be allocated to the Agreement in accordance with the following schedule until the total price of the Subcontract is funded:
- B. The Subcontractor agrees to perform or have performed work on the Subcontract up to the point at which, if the Subcontract is terminated pursuant to the Termination For Convenience of SRR article of the Subcontract, the total amount payable by SRR (including amounts payable for subcontracts and settlement costs) pursuant to the Termination For Convenience of SRR article would, in the exercise of reasonable judgment by the Subcontractor, approximate the total amount at the time allotted to the Subcontract. The Subcontractor is not obligated to continue performance of the work beyond that point. SRR is not obligated in any event to pay or reimburse the Subcontractor more than the amount from time to time allotted to the Agreement, anything to the contrary in the Termination For Convenience of SRR article notwithstanding.
- C. (1) It is contemplated that funds presently allotted to the Subcontract will cover the work to be performed until_____.
- (2) If funds allotted are considered by the Subcontractor to be inadequate to cover the work to be performed until that date, or an agreed date substituted for it, the Subcontractor shall notify SRR in writing when within the next 60 days the work will reach a point at which, if the Subcontract is terminated pursuant to the Termination For Convenience of SRR article of the Subcontract, the total amount payable by SRR (including amounts payable for subcontracts and settlement costs) pursuant to the Termination For Convenience of SRR article will approximate 75 percent of the

total amount then allotted to the Subcontract.

- (3) (i) The notice shall state the estimated date when the point referred to in subparagraph C.(2) of this clause will be reached and the estimated amount of additional funds required to continue performance to the date specified in subparagraph C.(1) of this clause, or an agreed date substituted for it.
- (ii) The Subcontractor shall, sixty days in advance of the date specified in subparagraph C.(1) of this clause, or an agreed date substituted for it, advise SRR in writing as to the estimated amount of additional funds required for the timely performance of the Subcontract for a further period as may be specified in the Subcontract or otherwise agreed to by the parties.
- (4) If, after the notification referred to in subdivision C.(3)(ii) of this clause, additional funds are not allotted by the date specified in subparagraph C.(1) of this clause, or an agreed date substituted for it, SRR shall, upon the Subcontractor's written request, terminate the Subcontract on that date or on the date set forth in the request, whichever is later, pursuant to the Termination For Convenience of SRR article.
- D. When additional funds are allotted from time to time for continued performance of the work under the Subcontract, the parties shall agree on the applicable period of Subcontract performance to be covered by these funds. The provisions of paragraphs B and C of this clause shall apply to these additional allotted funds and the substituted date pertaining to them, and the Subcontract shall be modified accordingly.
- E. If, solely by reason of SRR's failure to allot additional funds in amounts sufficient for the timely performance of the Subcontract, the Subcontractor incurs additional costs or is delayed in the performance of the work under the Subcontract, and if additional funds are allotted, an equitable adjustment shall be made in the price or prices (including appropriate target, billing, and ceiling prices where applicable) of the work to be performed.
- F. SRR may at any time before termination, and, with the consent of the Subcontractor, after notice of termination, allot additional funds for the Subcontract.
- G. The provisions of this clause with respect to termination shall in no way be deemed to limit

the rights of SRR under the default article of the Subcontract. This clause shall become inoperative upon the allotment of funds for the total price of the work under the Subcontract except for rights and obligations then existing under this clause.

- H. Nothing in this clause shall affect the right of SRR to terminate the Subcontract pursuant to the Termination For Convenience of SRR article of the Subcontract.

A.20 RIGHT OF FIRST REFUSAL OF EMPLOYMENT

The scope of work described herein as currently being performed by SRR employees and award of an order may displace these workers. Consistent with section 3161 of the National Defense Authorization Act (PL 102-484), if the Subcontractor needs to hire additional employees beyond those already part of its existing work force as of the date of this Subcontract in order to satisfy the performance requirements set forth by the scope of work in this Subcontract, the Subcontractor must first consider the employment of qualified displaced DOE contractor employees who meet the 3161 Job Attachment Test prior to using other avenues to fill that employment need. At the time of award of the Subcontract, the Buyer shall make available to the Subcontractor a list of displaced employees with sufficient information to allow for contact. This requirement shall be included in the resultant Subcontract and be in effect from the date of award of the Subcontract.

A.21 COPYRIGHTS FOR SRR DIRECTED TECHNICAL PERFORMANCE

(This Article applies only if specifically so stated in this Subcontract.)

Subcontractor shall cause its employee(s) to assign to SRR all rights under the copyright in all works of authorship prepared at the direction of SRR during the term of this Subcontract. Subcontractor shall include terms in its arrangements with its employee(s) to require such assignments to SRR. To the extent that such works of authorship are considered to be works made for hire for Subcontractor, Subcontractor agrees to assign and does hereby assign all of its rights under the copyrights in such works to SRR or the U. S. Government.

A.22 TRAVEL

Travel, per diem and lodging expenses are not reimbursable costs under this Subcontract unless Subcontractor's employees are in an official travel status performing work on behalf and with the advance approval of SRR. FAR 31.205-46 *Travel*

governs the allowability and reimbursement of incurred costs.

A.23 SUBCONTRACTOR'S LIABILITY FOR FINES AND PENALTIES

- A. Subcontractor is liable to SRR for fines and penalties assessed by any governmental entity against SRR or DOE as a result of Subcontractor's failure to perform its work under the Subcontract in compliance with the requirements of the Subcontract.
- B. Subcontractor shall indemnify, defend and hold harmless SRR and DOE from and against any and all claims, demands, actions, causes of action, suits, damages, expenses, including attorney's fees, and liabilities whatsoever resulting from or arising in any manner on account of the assessment of said fines and penalties against SRR or DOE.

A.24 FOREIGN NATIONALS

(As used in this Article, the term "Foreign National" is defined to be a person, who was born outside the jurisdiction of the United States, is a citizen of a foreign government and has not been naturalized under U.S. law.)

- A. The Subcontractor shall obtain the approval of SRR, in writing, prior to any visit to a DOE or SRR facility by any Foreign National in connection with work being performed under this Order, in accordance with the requirements of DOE Order 142.3, Unclassified Foreign Visits and Assignments Program. Visits are normally for the purpose of technical discussions, orientation, observation of projects or equipment, training, subcontract service work, including delivery of materials, or for courtesy purposes. The term "visit" also includes officially-sponsored attendance at a DOE or SRR event off-site from the DOE/SRR facility, but does not include off-site events and activities open to the general public. Subcontractors should be aware that required forms and documents necessary for approval of visits by Foreign Nationals should be submitted to the SRR Procurement Representative at least four (4) to six (6) weeks prior to the visit, depending on the nationality of the individual and the areas to be visited. Forms can be obtained from the SRR Procurement Representative.
- B. In addition, the Subcontractor shall obtain the approval of the SRR Procurement Representative, in writing, prior to the employment of, or participation by, any Foreign National in the performance of work under this Subcontract or any lower tier Subcontract at off-

site locations. Such approvals will be processed in accordance with the requirements of DOE Order 142.3

- C. In the performance of off-site work, Foreign Nationals only incidentally involved with a SRR Subcontract, and who have no knowledge that their activities are associated with SRR Subcontract work, are exempt from the above.

A.25 PAYMENT BY ELECTRONIC FUNDS TRANSFER

A. Methods of Payment.

(1) All payments by SRR under this Subcontract shall be made by Electronic Funds Transfer (EFT) except as provided in paragraph A.2 of this Article. As used in this Article, the term "EFT" refers to the funds transfer and may also include the payment information transfer.

(2) In the event SRR is unable to release one or more payments by EFT, Subcontractor agrees to either:

- (i) Accept payment by check or some other mutually agreeable method of payment; or
- (ii) Request SRR to extend payment due dates until such time as SRR makes payment by EFT.

B. Mandatory Submission of Subcontractor's EFT Information.

Subcontractor is required to provide SRR with the information required to make payment by EFT. Subcontractor shall provide this information directly to the office designated in this Subcontract, on forms provided by SRR, no later than 15 days after award. If not otherwise specified in this Subcontract, the payment office is the designated office for receipt of Subcontractor's EFT information. In the event that the EFT information changes, Subcontractor shall be responsible for providing the updated information to the designated office.

B. Mechanisms for EFT Payment.

SRR may make payment by EFT through either the Automated Clearing House (ACH) network, subject to the rules of the National Automated Clearing House Association, or the Fedwire Transfer System.

C. Suspension of Payment.

(1) SRR is not required to make any payment under this Subcontract until after receipt, by the designated office, of the correct EFT payment information from Subcontractor. Until receipt of the correct EFT information, any invoice or subcontract financing request shall be deemed not to be a proper invoice

for the purpose of payment under this Subcontract.

- (2) If the EFT information changes after submission of correct EFT information, SRR shall begin using the changed EFT information no later than 30 days after its receipt by the designated office. However, Subcontractor may request that no further payments be made until the updated EFT information is implemented by the payment office.

D. Payment Information.

On the day payment on Subcontractor's invoice is due, SRR will issue instructions to its bank to transfer payment to Subcontractor, and will also send a FAX to Subcontractor explaining the details to support the payment.

E. Liability for Uncompleted or Erroneous Transfers.

(1) If an uncompleted or erroneous transfer occurs because SRR used the Subcontractor's EFT information incorrectly, SRR remains responsible for --

- (i) Making a correct payment; and
- (ii) Recovering any erroneously directed funds.

(2) If an uncompleted or erroneous transfer occurs because Subcontractor's EFT information was incorrect, or was revised within 30 days of SRR release of the EFT payment transaction instructions to the bank, and --

- (i) If the funds are no longer under the control of the payment office, SRR is deemed to have made payment and the Subcontractor is responsible for recovery of any erroneously directed funds; or
- (ii) If the funds remain under the control of the payment office, SRR shall not make payment and the provisions of paragraph D shall apply.

G. **Overpayments.** If Subcontractor becomes aware of a duplicate invoice payment or that SRR has otherwise overpaid on an invoice payment, the Subcontractor shall immediately notify SRR and request instructions for disposition of the overpayment.

A.26 INTELLECTUAL PROPERTY RIGHTS

A. In addition to the provisions of Articles 32, 33, 34, and 35 below, SRR shall solely and exclusively own all results, product, and proceeds of the technical services performed under this Subcontract (including, but not limited

to, all rights of whatever kind and character throughout the world, in perpetuity in any and all languages of production, manufacture, recordation, reproduction, performance, and exhibition in any manner and by any art, device, or method, now known or hereinafter devised), whether such results, product, and proceeds consist of literary, dramatic, musical, motion picture, mechanical or any other form of works, themes, ideas, compositions, creations or products. SRR's acquisition under this provision shall also include all rights generally known as the "moral rights of the authors" in and/or to any proceeds of Subcontractor's services. SRR shall also have the right in respect to such product, to add to, subtract from, change, arrange, revise, adapt, rearrange, translate into any and all languages, change the sequence, change the characters and the descriptions thereof, change the title of the same, record and duplicate the same, use said title or any of its components in connection with works wholly or partially independent thereof, to vend, copy, and publish the same as SRR may desire. Subcontractor hereby assigns to Company all of the foregoing without reservation, conditions or limitation and no right of any kind, nature, or description is reserved by Subcontractor.

- B. "Joint Intellectual Property Rights" shall mean any work under the Subcontract that:
- (1) Results from the involvement of at least one employee/participant from each of SRR and the Subcontractor; and
 - (2) The subject matter of which is capable of protection under domestic or foreign law, including but not limited to, patents, copyrights, trademarks, or mask works.
- C. As to Joint Intellectual Property Rights, in which SRR has a joint ownership interest, the Subcontractor agrees to negotiate in good faith with SRR a Memorandum of Agreement to resolve issues of participation in protection and commercialization..

A.27 SCIENTIFIC AND TECHNICAL INFORMATION

- A. Electronic submissions of technical reports will consist of two virus-free copies that are readable in the following formats:
- (1) Text will be submitted in native software (that is compatible with the suite of document creation software currently used at SRS) (fonts identified) or in RTF (rich text format).

- (2) Embedded objects and files that are linked to a document must be supplied as well, as follows:
 - (i) Raster images (for example, photographs) will be submitted as TIFF or EPS @ resolution>100 dpi.
 - (ii) Vector art (for example, line art) will be submitted as EPS images.
 - (iii) Data-driven displays (e.g., spreadsheet charts) must be accompanied by data set used to generate them.

A.28 COMPLIANCE

Subcontractor shall comply with all applicable federal, state, and local laws and ordinances and all pertinent lawful orders, rules, and regulations, including new provisions of 10 CFR 851 relating to Health and Safety. Subcontractor shall track and expect any lower tier subcontractors to track their Experience Modification Rate (EMR) and Total Recordable Case (TRC) rate and submit a properly executed Environmental Safety and Health (ES&H) Worksheet (obtainable from the SRR ES&H Department) in addition to letters from their workers' compensation carriers verifying their EMRs. If a three-year average interstate EMR exceeds 1.0, Subcontractor and lower tier subcontractors no longer are in compliance to continue the performance of work under this Subcontract if work is to be performed on-site. Compliance shall be a material requirement of this Subcontract. Except as otherwise directed by SRR, Subcontractor shall procure without additional expense to SRR, all necessary permits or licenses.

A.29 ACCESS TO DOE-OWNED OR LEASED FACILITIES

(Article applies if Subcontractor will require physical access to DOE-owned or leased facilities.)

- A. The performance of this Subcontract requires that the Subcontractor have physical access to DOE-owned or leased facilities. The Subcontractor understands and agrees that DOE has a prescribed process and policies with which the Subcontractor and its employees must comply in order to receive a security badge that allows such physical access, including appropriate access to DOE-owned equipment. Subcontractor and its employees and those of any lower tier subcontractors shall not use any DOE-owned equipment for personal use under any circumstances. The Subcontractor shall propose employees whose background offers the best prospect of obtaining a security badge approval for access. Subcontractor's

employees also shall be physically fit for duty. This clause does not control requirements for Subcontractor or an employee obtaining a security clearance.

- B. The Subcontractor shall assure:
 - (1) Compliance with procedures established by DOE and SRR in providing any forms directed by DOE or SRR;
 - (2) Proper completion of any forms;
 - (3) Submission of the forms to the person designated by the SRR Procurement Representative;
 - (4) Cooperation with DOE and SRR officials responsible for granting access to DOE-owned or leased facilities; and
 - (5) The provision of additional information requested by those DOE/SRR officials.
- C. The Subcontractor understands and agrees that DOE may unilaterally deny the issuance of a security badge to the Subcontractor or an employee and that the denial remains effective unless DOE subsequently determines that access may be granted. Upon notice from DOE or SRR that an employee's application for a security badge is or will be denied, the Subcontractor shall promptly identify and submit the appropriate forms for the substitute employee, if needed in the performance of the work under this subcontract. The denial of a security badge to the Subcontractor or individual employees by DOE shall not be cause for extension of the period of performance of this Subcontract or any Subcontractor claim against DOE or SRR.
- D. The Subcontractor shall return to the SRR Procurement Representative, or designee, the badge(s) or other credential(s) provided by DOE pursuant to this clause, granting physical access to DOE-owned or leased facilities by the Subcontractor's employee(s) upon:
 - (1) Termination of this Subcontract;
 - (2) Expiration of this Subcontract;
 - (3) Termination of employment on this Subcontract by an individual employee; or
 - (4) Demand by DOE/SRR for return of the badge
- E. The Subcontractor shall include this clause, including this paragraph E. in any lower tier Purchase Order or Subcontract, awarded in the performance of this Subcontract, in which an employee(s) of the lower tier subcontractor will require physical access to DOE-owned or leased facilities.
