19. SUSPENSION

Company may, for any reason, direct Seller to suspend performance of any part of or all of the performance of this Agreement/Subcontract for an indefinite period of time. If any such suspension significantly delays the progress of or causes Seller additional direct expenses in the performance of the Agreement/Subcontract, not due to the fault or negligence of Seller, the compensation to the Seller shall be adjusted by a modification to this Agreement/Subcontract on the basis of the additional direct expenses of the Seller to perform the Agreement/Subcontract and the time of performance of the Agreement/Subcontract shall be extended by the actual duration of the suspension. 20. SELLER'S LIABILITY FOR FINES AND PENALTIES

- A. Seller is liable to Company for all fines and penalties assessed by any governmental entity against Company or DOE as a result of Seller's failure to perform its work under this Agreement/Subcontract in compliance with the requirements of this Agreement/Subcontract.

Seller may provide access to material or data containing Unclassified Controlled Nuclear Information (UCNI) utilized in the performance of this Order only to employees who are citizens of the United States.
- B. The Seller ensures that matter identified as UCNI is protected in accordance with the instructions contained in DOE M 471.1-1, Chapter II. Any material or data containing UCNI which is stored on computer systems must be protected, and the protective measures and/or policies must be specified in a Computer Protection Plan approved by the SRR Computer Security organization. Adherence to the Plan is required during the performance of this Order.
- C. Material or data containing UCNI shall be disposed of in a manner as described in DOE M 471.1-1, Chapter II. At a minimum, UCNI matter must be destroyed by using strip cut shredders that result in particles of no more than 1/4-inch wide strips. Documents containing UCNI may also be disposed of in the same manner that is authorized for Seller disposition of other classified material or data. If the above

disposal methods are not available to the Supplier, the Seller may return the UCNI matter to the STR for disposition, with the prior approval of the STR.

- D. Seller shall report to the SRR Security Office or the SRR Purchasing Representative any incidents involving the unauthorized disclosure of UCNI.
- E. If performance of work under this order results in the generation of unclassified documents that contain UCNI, Seller shall have a sufficient number of trained UCNI review personnel to ensure the prompt and proper review of generated material or data to provide for the identification, marking, and proper handling of material or data determined to contain UCNI. The Seller's Reviewing Officials shall apply or authorize the application of UCNI markings to any unclassified matter that contains UCNI in accordance with the instructions contained in DOE M 471.1-1, Chapter I, Part C.

As used in this Article, the term "Foreign National" is defined to be a person who was born outside the jurisdiction of the United States, is a citizen of a foreign government and has not been naturalized under U.S. law.

- A. Seller shall obtain the approval of Company, in writing, prior to any visit to a DOE or SRR facility by any Foreign National in connection with work being performed under this Order, in accordance with the requirements of DOE Order 142.3, Unclassified Foreign Visits and Assignments Program. Visits are normally for the purpose of technical discussions, orientation, observation of projects or equipment, training, subcontract service work, including delivery of

materials, or for courtesy purposes. The term "visit" also includes officially-sponsored attendance at a DOE or Company event offsite from the DOE/Company facility, but does not include offsite events and activities open to the general public. Subcontractors should be aware that required forms and documents necessary for approval of visits by Foreign Nationals should be submitted to the SRR Purchasing Representative at least four (4) to six (6) weeks prior to the visit, depending on the nationality of the individual and the areas to be visited. Forms can be obtained from the SRR Purchasing Representative.

- B. In addition, Seller shall obtain the approval of the SRR Purchasing Representative, in writing, prior to the employment of, or participation by, any Foreign National in the performance of work under this Subcontract or any lower tier Subcontract at offsite locations. Such approvals will be processed in accordance with the requirements of DOE Order 142.3.
- C. In the performance of offsite work, Foreign Nationals only incidentally involved with an SRR Subcontract, and who have no knowledge that their activities are associated with SRR Subcontract work, are exempt from the above.

(The following Article applies if employees of Seller will require physical access to DOE-owned or leased facilities.)

23. ACCESS TO DOE-OWNED OR LEASED FACILITIES

- A. The performance of this Order requires that employees of Seller have physical access to DOE-owned or leased facilities. Seller understands and agrees that DOE has a prescribed process with which Seller and its employees must comply in order to receive a security badge that allows such physical access. Seller shall propose employees whose background offers the best prospect of obtaining a security badge approval for access. This clause does not control requirements for an employee obtaining a security clearance.
- B. Seller shall assure:

 - (2) Employees properly complete any forms;
 - (3) Employees submit the forms to the person designated by the SRR Procurement Representative;

Upon notice from DOE or Company that an employee's application for a security badge is or will be denied, Seller shall promptly identify and submit the appropriate forms for the substitute employee. The denial of a security badge to individual employees by DOE shall not be cause for extension of the period of performance of this Order or any Seller claim against DOE or Company.
- D. Seller shall return to the SRR Procurement Representative, or designee, the badge(s) or other credential(s) provided by DOE pursuant to this clause, granting physical access to DOE-owned or leased facilities by Seller's employee(s) upon:
 - (1) Termination of this Order.
 - (2) Expiration of this Order.
 - (3) Termination of employment on this Order by an individual employee.
 - (4) Demand by DOE/Company for return of the badge.

All badges must be returned or accounted for prior to final payment. All employees must be at least 18 years old.
 - (2) Seller employees and any lower tier/sub-tier subcontractor employees shall complete Subcontractor Employee Data Sheet and Fingerprint Cards. If a long term badge is required (period greater than six (6) months) the employee will also be required to complete form SF 85, "Questionnaire for
